

## Down by the Seaside

by Peter Yates

Down by the seaside is where I'd like to be,  
Playing on the sand and swimming in the sea,  
If my mum would take me, a happy boy I'd be,  
Playing on the sand and swimming in the sea,  
The reason mum won't take me, even though I plea,  
It's much too cold and windy,  
For swimming in the sea
