

God's School Of Excellence

By Una Clarke

God's school of excellence
Birthed
In Adullan's Cave
On-site training
Where
The rough and ready
Desperate
Outcasts
Hopeless
Depressed
Entered in

Through their
Submission
Humility
Obedience
Rough terrain
Holy Spirit
Boot camp training
They emerged as

David's mighty men of valour
Ready to march
Ready to die
For a higher call

School of excellence
God spoke to Gideon
While
Threshing grain
In the wine press
"Mighty man of valour
Go in this My might"
With the 300 undignified
Who lapped water like dogs
He went to destroy
The Midianites

School of excellence
John the Baptist
Training ground
Birthed in the wilderness

Of suffering
He emerged screaming
Undignified
A forerunner
Humble man
A mouthpiece
His words
Simple
Repent
Repent

School of excellence
Paul the apostle
Learned man
Fluent in the law
Full of zeal and passion
Persecutor of The Way
Through a Damascus experience
The veil ripped
Revelation truth knowledge
Entered in
By the power of the Holy Spirit

School of excellence
Is a circumcised heart
Birthed in the
Willing death of self
Tested
Tried
In the fields of suffering
Broken
Humbled
Established in the word of truth
The holy word of God
