Porcelain pinching lispig Nelly
Pancreas pushing pissing poison prostate
Heifer hoofin' hemorrhoid whuppin' gay commiserate
Doting drooling donkey deaf and dumb
Driving Miss Daisy home low-down dirty scum
Dripping Doberman dewdrops
Hickey humping hippo
Darkened naked moldy mark
He burned me with a Zippo
Leering living looming leeches
Killing coughing kitten

Halloween II

By Ron Bulla

Windjam mama
Wanna ride the limping llama?
Crusty busted puke
Gonna gild the goosey farmer?
Sidewalk surfin'slurpee burpin'
Pimple poppin' stooley
Fishy fleshy forceps messy
Gearbox greasy ghoulie
Ragged wrinkled wicked pickle
Slightly syphilled syntax
Humping hellish skullish pumpkins
Where did I put the axe?
