

It Was So Amazing

By G David Schwartz

It was so amazing
One or two of the most horrid things I have ever seen
It was oh so must more in horror
Than anything her before
It was a tiny teeny inkwell
Out of which three bats flew
It was so stumping
so ignorant and so bland
It scared me half to death
and I believe any man
It was so amazing
One or two of the most horrid things I have up and seen
More amazing I do think and believe
