

## **My Eyes Are Full Of Tears**

By G David Schwartz

My eyes are full of tears  
It hasn't been this way for year  
But because of all the fears  
My eyes are full of tears  
My heart is topped with pain  
I hope that don't come again  
Because I don't like the pain  
It truly hurts my only brain  
My whole life is tearing  
As if the end is nearing  
And crazy dreams do hurt me  
With waking up or just standing
