

Planet A

By Frank Jousen

at the beginning
of the last tunnel
we were at the end
of the food
the wood
the oil
plus everything we
used to make from it

already out of breath
we
finally
realized
we had no

Planet B

By Frank Jousen

once were whales
in the great oceans
once were kangaroos
once gnus
now paper tigers
in the high-rise jungle
but always two
me & you.
