

## Post Master Blues

By Diana Ferguson

A pair of pears  
In the fridge  
A brand new Chevelle  
From 1962  
A box of chirping sparrows  
I packaged as a gift  
For you  
And my heart  
And my lungs  
My eyes  
Fingers and toes  
A pair of pink panties  
And fish net pantyhose  
A heavy, heavy orgasm  
A wet pussy pie  
A beat up old scarf  
And a hot set of thighs  
I caged up the canaries  
I sniffed some glue  
Put it in the mailbox  
And sent this train wreck  
Straight to you
