

Resurrection

By Una Clarke

The hidden treasure
Mapped in the sacred scrolls
Etched encased in time
Our roadmap
Genesis to revelation
Alpha to Omega
A voice speaking
Echoing through the prophets
Timeless
Ageless
!!!!Behold a call!!!!
Awaiting
The promise of a holy Seed
A son
A king
A deliverer
A saviour
Son of God
God Man
Jesus the man
Christ the God
Communed with His father
In obedient service
In Him was Life
And the Life was the Light of men
He took captivity captive

O righteous King
O Holy Seed
His wisdom hidden
In the living Word

He uttered the words
In a mystery
Do not let your hearts be troubled
A seed buried
To reap the harvest of mankind
Who could understand?
A son
A king
A brother
Brutally murdered

On the third day
!!!He rose!!!
Triumphed over Satan
And the powers of darkness
Heaven resounding
With standing ovation
Of praise
Victory
Triumph
Spoils of war
He took captivity captive
Jesus Christ the spotless Lamb of God
