

## The Struggle

By Marvin Alexander

This struggle has  
and always be  
until the end  
of time  
for some people  
like me.  
Searching for God  
only to hit  
a brick wall  
being told to  
CHANGE SELF  
only to be dehumanized  
made to feel  
SELF CAN'T BE CHANGED  
so the struggle continues...  
here comes depression,  
mix in with low self esteem,  
in the dark alone  
no one to turn too  
no one example to learn from...  
still the struggle continues...  
trying to find balance  
in others love  
wanting even more to be  
ACCEPTED  
only to hit brick wall  
alone..  
tired..  
confused..  
you sit  
only to learn  
God is love...  
still the struggle continues...
