

## The truth Is

By Radek Ozog

The true?  
The truth is tallies  
  tell A story in real time  
  we don't bite are tongues  
truth of hard rocks  
can live of bitter taste  
  like the deep sea full  
  of jagged edge toothed sharks  
I blow him of his roof  
  when I told her the truth.
