

## We

By Blaze

We  
loved each other.

We  
told each other forever.

We  
cried together.

We  
fought.

Now He  
left me.

He  
lied to me.

He  
broke my heart.

And I  
watched him leave.

I  
watched him lie.

I  
felt my heart break.

I  
couldn't tell

He  
never loved me.
